5<sup>th</sup> NOVEMBER 2020

To All the Conference Participants

Dear Dato/Dato/Dr/Sir/Madam,

**New Date for the 8<sup>th</sup> National Early Childhood Intervention Conference in Miri, Sarawak**

We understand it has been a hard time for all of you with the current COVID-19 pandemic, and 2020 has been a dreadful year for many people. Nonetheless, we hope you are in good health and coping well. We hope the global situation will improve and soon we will be able to meet with less restriction.

Taking advices from the experts and various authorities, the Organising Committee for the 8<sup>th</sup> National Early Childhood Intervention Conference has recently met and made the decision to postpone the above Conference to **17<sup>th</sup> to 19<sup>th</sup> December 2021**. We hope most speakers and participants are able to travel and meet in Miri by then. We are working towards a great conference for all of us to meet and gather at the Imperial Hotel, Miri.

We understand that the dates are still a long way to go, and given the current situation with the pandemic, it is hard to predict the future. We do hope that you could block your dates. Before mid-2021, we will write to you all again to provide you with updated programme and more details about the Conference. We look forward to welcoming you in Miri and at the Conference.

Please do not hesitate to contact the Secretariat at [necic2020@gmail.com](mailto:necic2020@gmail.com) if you need further clarification. Please also remain updated through our new website address on <https://www.necic2020miri.cf/>.
